RESPONSE TO RESTRICTION REQUIREMENT

Sir:

The Restriction requirement of the Office Action mailed November 7, 2008 has been carefully reviewed and considered.

In the restriction requirement, the Examiner identified 2 (two) inventions, with the first invention Group I (Claims 19-23), drawn to a drug packaging arrangement and with the second invention Group II (Claims 1-18), drawn to a method of administering multiple individual doses.

Applicant hereby provisionally elects to pursue patent protection for Group II (Claims 1-18), which relate to a method of administering multiple individual doses. Applicant reserves the right to reintroduce the subject matter of the non-elected claims of Group I in a divisional application or other subsequent application to be filed at the U.S. Patent and Trademark Office.

It is believed that no fees are due at this time. If any fees are required to ensure that the present response is timely filed, please charge any such fees to the deposit account of the undersigned attorney's law firm, Deposit Account No. 13-4300.

The Examiner is respectfully urged to contact the undersigned attorney if there are any further matters standing in the way of allowance of the above-identified application and it is believed by the Examiner that these matters can be addressed and resolved in a telephone conference and thereby speed the conclusion of the present prosecution. The Examiner's consideration in this regard will be appreciated.

Respectfully submitted,
For the Applicant(s)
